

# Publications Order Form

CPWR offers a wide variety of free materials (many available in Spanish) to improve the safety and health of construction workers. They include Hazard Alert Cards, a Toolbox Talk series, Infographics, and planning resources, all of which can be found at [www.cpw.com/hazard-specific-resources](http://www.cpw.com/hazard-specific-resources). Many of these materials are also available in print— see below and opposite side. To order them, complete and submit this form to [news@cpwr.com](mailto:news@cpwr.com).\*

## SPECIAL PUBLICATIONS, REPORTS, ETC.

- CPWR Highlights 2023**  
 Our annual report details the other work of our research, training, and service programs.

## CPWR IMPACT Cards

Brief case studies that describe how CPWR research findings are benefiting the construction industry.

## HAZARD ALERT CARDS

Hazard Alert cards describe common hazards and steps to reduce risks and prevent injuries and illnesses. They can be used as handouts and to reinforce messages in training classes or toolbox talks, and new topics are added regularly. Printed pocket-size versions are available in English (and in Spanish for select topics), and all are available to download in English and Spanish. Check [cpwr.com/hazardalerts](http://cpwr.com/hazardalerts) to download pdf versions and to see new topics.

| Card topics in English                          | Quantity |
|---|----------|
| Aerial Lifts                                    |          |
| Asbestos  |          |
| Avoiding Hazards During Healthcare Construction |          |
| Back Injuries                                   |          |
