

During 2011-2016, 74 workers died falling from equipment

Set the parking brake to prevent the equipment from moving

Use hand and step holds - keep one foot and two hands, or both feet and one hand, in contact with equipment at all times

Wear shoes that provide support and traction

Avoid carrying materials and tools when climbing on or off

Keep step and hand holds clear of mud, snow, grease and other fluids

Do not jump off

PLAN. PROVIDE. TRAIN.

Three simple steps to preventing falls.
