

Instructions for Contractors:

The assessment on the following page is for companies that have already started their PTP process and would like to get their workers' perspective on its effectiveness. It should be given anonymously.

If you have not started your PTP process yet, please use CPWR's Guidelines and Resources for Pretask Planning (PTP) Implementation and Assessment to initiate and then assess your process.

Pre-Task Planning (PTP) Assessment Worker's Perspective

Instructions: Your employer would like to learn from your experience in order to identify shortcomings in the Pre-Task Planning (PTP) process and improve its quality. Please answer the questions below based on your experiences on this jobsite. This survey shouldn't take longer than 10 minutes. Please do not provide your name or any personally identifying information.

	Date:
