

HAZARD ALERT CARDS

Hazard Alert cards describe common hazards and steps to reduce risks and prevent injuries and illnesses. They can be used as handouts and to reinforce messages in training classes or toolbox talks, and new topics are added regularly. Pocket-size versions are available in print in English (and for selected topics in Spanish), and all are available to download in English and Spanish. Check cpwr.com/hazardalerts to download pdf versions and to see new topics.

Topics	Quantity
Aerial Lifts	
Asbestos	
Avoiding Hazards During Healthcare Construction	
Back Injuries	
Carbon Monoxide	
Confined Spaces	
Electrical Safety for Non-Electricians
