

.....The Foundations for Safety Leadership.....

The FSL Course

"The **FSL** paves the way for **safe, productive, and quality driven** outcomes on the jobsite. Participants repeatedly agree **active listening** and **3-way communication** have improved crews' performance."

Bob Kunz, Corporate Safety Director
Dimeo

The Foundations for Safety Leadership course is a free, OSHA 30-hour elective. Learn more at www.cpwr.com/foundations-safety-leadership-fsl
